

## CLOVER HILL CUVÉE PRESTIGE LATE DISGORGED BRUT 2006

PIPERS RIVERS, TASMANIA

This limited-release Late Disgorged Brut is the epitome of Clover Hill's signature house style - a true combination of passion and patience.

A vibrant rich straw colour with a persistent fine bead is a precursor to the refined and gentle foaming mousse. The wine displays an assortment of fresh lemon curd and brioche, developed almond and toasty characters.

Drinking beautifully now as it has evolved elegantly due to its extended time on lees and cork, this wine will continue its magnificent progression for years to come.
